>Rachel & Gordon Hickson

Rachel has been married to Gordon since 1981, and they have 2 married children and 2 grandchildren.

At the age of 24 Rachel, with her husband Gordon, worked alongside Reinhard Bonnke and the *Christ for All Nations* team in Africa.

On their return in 1990, Rachel and Gordon, pastored a group of four churches in Hertfordshire. It was during this time that they established *Heartcry Ministries* with the call to train and equip people to be released into effective prayer; and also to head up missions for their communities, cities and nations.

Later they moved to Oxford where Gordon was the Associate Minister at St Aldates until Dec 2010.

Rachel is the author of five books and travels internationally, visiting Europe, North America, Africa and India. Gordon now heads up the *Mahabba Network International*, mobilizing ordinary Christians to reach their Muslim neighbours.

>Helen Azer

Helen is Associate Minister with *Heartcry Ministries* and part-time minister at St Andrews Church, Cumnor.

Her special calling is to train and equip the Church. Her passion is to see a Church that is passionate and informed, and able to respond to the challenges and opportunities presented by our multi-faith communities. Helen believes that God is calling the Church to a new reformation in these days.

She enjoys the privilege of touching people's lives at home and abroad through preaching, teaching and prophetic prayer ministry. Also in connecting with the bigger picture of what God is doing nationally and internationally, as she travels with *Heartcry* for conferences, retreats and training days.

»God delights to speak **to us** and then desires to speak **through us** with words of encouragement - but we often lack the confidence to speak. This conference will strengthen your confidence in your own ability to hear the voice of God - and then skill you to share this with others.
